Our Mission:

Our Mission is to manage projects according to the teaching of Islam and to praise Allah (s.w.t.) through our work.

This means that fulfilling the commitment and execution with excellence will be the key to this mission and to please Allah (s.w.t.) will be the destination.

We also intend to propagate this mission through our services and therefore monetary achievements will not be the primary goal of this mission.

For this purpose we will equipped ourselves with the state of the art technology, management skills and knowledge and clutch ourselves with the latest certifications so that our mission shall be in phase with time.

Our Founders

***M.K. Associates** was established in 1993 by Kamran Ali Khan and Mr. Mansur Ali Dhanani (Late, a well known Structural Engineer).*

***M.K. Associates** comprises a complete team of mission committed qualified specialists having sound knowledge in their respective fields, synergizing and maximizing the capability of the organization.*

Our Services:

Initially the company was restricted to structural designing, but later, **M.K. Associates** broaden its platform in almost every direction of Civil Engineering ranging from Structural / Architectural designing to Project Management and execution on Turnkey basis.

We proudly list our services as:

1. Execution on turnkey basis
2. Architectural Planning
3. Structural Designing
4. Top supervision
5. Project management.

M.K. Associates uses all the latest paraphernalia from **SAP**, **Etabs** (Structural Engineering Software) to **Floor Plan Plus**, **AutoCAD** etc. on the latest **Coretduo** machines to deliver the projects in record time.
